Voice of The People

To the Editor:

Dear Editor,

The Clarion-Ledger, Jackson, Miss., Monday morning, May 24, 1954

Robert B. Patterson

In reference to the recent strike of African-American railroad workers, I would like to express my support for the strike and solidarity with our fellow workers.

The strike is a result of the longstanding racial discrimination and inequality in the transportation industry. It is not just about wages, but about the right to be treated with dignity and respect.

As a member of the community, I believe that it is our collective responsibility to support the workers in their struggles for justice.

Sincerely,

Robert B. Patterson

Jackson, Miss.
