

What is Aira?

AI stands for Artificial Intelligence; RA stands for Remote Access. When you put them together you get Aira. Aira is a service that uses artificial intelligence and augmented reality to connect people to highly trained,

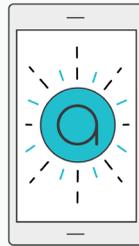

remotely-located agents. At the touch of a button, Aira delivers instant access to information, enhancing everyday efficiency, engagement, and independence.

How Aira Works

Download the free app and sign up

Connect with a certified Aira agent

Receive real-time assistance

Our Agents

Aira agents are a mix of highly-trained human and AI agents dedicated to delivering a rich, personalized service and instant access to information seven days a week.

Signing Up

Download the Aira App on your smartphone by searching for “Aira” in the App or Play store. Open the app and choose, “Tap to use Aira as a Guest for FREE!” and register with an email and phone number. You will get a text message confirming your phone number. Tap the link in the text message to complete the signup process. Then connect with an agent!

What can Aira do?

- Navigate complex environments
- Assist with objective visual descriptions while shopping
- Conduct business-related tasks, like organizing receipts
- Technical support with computers, TV, and organizing rideshares
- Find your gate independently in an airport
- Use inaccessible digital screens on gym equipment
